If required, the ESL Reception Centre will arrange, at no cost, for an interpreter to attend your appointment.

For your appointment, bring all your current legal documents from Immigration Canada (residency card, study permit, refugee documents) and any other information that might be useful. Your documents will be photocopied and returned to you.

About English as a Second Language

- ESL is for students who "first" learned to speak, read and/or write a language that is not English. It is for students who have recently immigrated to Canada or were born in Canada and live in a home where English is not the primary language.
- ESL helps students learn English and better understand Canadian cultural values and customs. It helps them better participate in school learning experiences.
- It is offered in all our schools from Pre-Kindergarten to Grade 12.
