of an Authentic Catholic School

MARK ONE:

All members of our school communities are children of God and seek Him in their lives.

MARK TWO:

The Catholic faith provides a framework for learning and life.

MARK THREE:

The Catholic faith is permeated into our curriculum so that contemporary culture is critically evaluated in light of "The Truth."

MARK FOUR:

Our staff witness to others a life lived in relationship with Jesus Christ.

MARK FIVE:

Our students, staff, and parents are honoured as distinct and unique, while being brought together in a spirit of communion.
