Capital Projects Update

St. Patrick's Community School in Red Deer – Modernization

The construction team is putting budget numbers to the scope of work and determining what the modernization will look like. The exact scope of work final details is to be formalized in mid-March. However, construction is proceeding based on the removal of eight classrooms and the construction of 16 new classroom spaces, as well as some modifications of the existing school.

Modular Requests

We are still waiting to hear on the status of our modular requests. Once this has been determined, we will move forward with getting tender documents, development and building permits in place.

The next board meeting is on March 27, 2018 at 6:30 p.m.

Anne Marie Watson, Board Chair
