## RDCRS celebrates International Education Week

***For immediate release – November 18, 2019***

As part of International Education Week (November 18-22), Red Deer Catholic Regional Schools would like to celebrate the 57 students from across the globe who are enrolled in the international student services program.

International students enroll in a middle or high school to benefit from the education and cultural experiences while studying in Red Deer. Some students also strive to graduate with an Alberta high school diploma and then attend university, which will allow them to be employable in their home country.

“We celebrate the students who come to our communities to study. We celebrate the diversity and the richness that our international students bring to our classrooms and to our community. In turn, we work together to provide them with a wonderful cultural experience that Red Deer and Alberta has to offer,” said Program Director, Patricia MacRae-Pasula for Red Deer Catholic International.
