St. Patrick's Community School Modernization is now complete

For immediate release – December 4, 2019

Phase 3 of the modernization is now finished at St. Patrick's Community School. In this phase, the modernization consisted of the following:

- Updating classrooms
- Redesigning the office area, front entrance, staff lunchroom and printer room
- Adding new lockers to the hallways

The modernization started in July 2018. The project was divided into three phases:

- Phase 1 – built the new addition to the school.
- Phase 2 – modernization of the north side of the school, including the gymnasium area and was turned over in August 2019.
- Phase 3 – modernization of the south side of the school, including the front office and entrance.

“On Monday, we welcomed our students back to our entire school with much buzz and excitement in the air. We would like to thank our parents, students and teachers for their support and patience throughout this process. We have a beautiful school that feels brand new with spacious learning environments for all of our students. We would also like to thank Group 2 Architecture for their creative design and Chandos Construction Ltd. for being such great
