

EARLY CHILDHOOD SERVICES TRANSPORTATION AGREEMENT

Red Deer Catholic accepts no responsibility for liability and insurance for your vehicle or other transporters you wish to enter into an agreement with. Liability and insurance coverage is the responsibility of the individual transporting the child.

Kindergarten Students

Students who reside further than 2.4 km from the school of attendance are eligible for the transportation grant. The 2015-2016 grant provided by Alberta Education is \$ 549.00 round trip. **When bussing is available, only one-way will be reimbursed (\$274.00) regardless of the parent’s decision to drive two-way.**

If the student attends a full day program, and rides the bus both ways, the board will retain the grant.

Pre-K Students

Students who reside further than 2.4 km from the school of attendance are eligible for transportation. The 2015-2016 grant provided by Alberta Education is \$ 549.00 round trip.

Due to the physical size of Pre-K students, access on and off the bus is a concern. Pre-K students are encouraged to be transported by their parents, and bussing may be available only in extenuating circumstances. Parents will have the grant made available to them in cases where they transport their child.
