

During an emergency, it is unlikely you will be able to reach the school by phone. We will make every effort to contact parents directly or by one of the methods noted below.

Crisis Notification Network and/or the Media

Parents will be alerted to emergency situations via the School's Crisis Notification Network (phone or electronic notifications) and local media. Stay tuned to local TV and radio stations for news alerts.

Website, Social Media and Community Hotline

The Division will also keep parents informed by posting information regarding the emergency on the **school website**, through social media and recordings on the Division's Community Hotline.
