Annual Education Results Report

The Superintendent presented the 2023-2024 Annual Education Results Report (AERR) to the Board of Trustees. Red Deer Catholic Regional Schools (RDCRS) continues to outperform provincial averages in the majority of key educational measures, demonstrating strong results in areas such as student engagement, citizenship, and education quality. High school graduation rates remain notably higher than provincial levels, reflecting the district's commitment to long-term student success. Although there has been a slight decline in achievement test and diploma exam results, these areas are being closely monitored to ensure sustained improvement.

The Board of Trustees approved the AERR for the 2023-2024 school year. To view the AERR, please click [here](#).

Approval of the 2025-2026 School Calendars

The Board of Trustees approved the 2025-2026 School Calendars for Red Deer, Sylvan Lake, Blackfalds, St. Patrick's Community School, Olds and Innisfail.
