*For immediate release – January 7, 2025*

École Camille J. Lerouge School invites parents and guardians to learn about the benefits of French Immersion at its Kindergarten French Immersion Parent Information Night on Wednesday, January 15, 2025. The event will run from 6:30 to 7:30 pm at the school, located at 5530 42A Avenue in Red Deer.

This informative evening will provide families with an overview of the school's French Immersion program, which offers young learners the opportunity to develop bilingual skills while receiving a high-quality education in a supportive environment. Attendees will meet the school's dedicated staff, explore the benefits of bilingual education, and have their questions answered.

"Choosing French Immersion for your child opens the door to a world of opportunities," says Sinead Armstrong, Principal of École Camille J. Lerouge. "We're excited to welcome families to our school and share how our program fosters academic excellence, cultural awareness, and lifelong language skills."

Parents will also have the chance to tour the school's facilities and learn about the welcoming community that supports student success at every stage of their educational journey.
